IN COLLABORATION WITH

SIMU LIU

Actor and author Simu Liu has had a prolific rise from immigrating to Canada at age 5 to Marvel movies.

He got his breakout role as Jung in CBC's comedy *Kim's Convenience*, the acclaimed five-season Canadian series that won multiple Canadian Screen Awards, ACTRA Awards for Outstanding Ensemble in 2017, and a worldwide audience from streaming on Netflix.

Following *Kim's Convenience*, Simu made history as the star of the first Asian-fronted movie in the Marvel Cinematic Universe in Destin Daniel Cretton's *Shang-Chi and the Legend of the Ten Rings*. His work in the film garnered him the People's Choice Award for Favorite Action Movie Star. Liu recently completed production on Greta Gerwig's anticipated feature film *Barbie* for Warner Bros. opposite Margot Robbie and Ryan Gosling. He next stars alongside Mark Wahlberg in *Arthur the King*, as well as in the film adaptation of Taylor Jenkins Reid's bestseller *One True Love* opposite Phillipa Soo.

He documented his life story so far in his New York Times Bestselling memoir, *We Are Dreamers: An Immigrant Superhero Origin Story*. His memoir also covers the time he spent studying at the University of Toronto, and Ivey Business School at the University of Western, Ontario.

In 2022, Liu was named one of Time Magazine's 100 most influential people in the world.

DESIGNING WITH SIMU LIU

8 Elm, with its modern, innovative residential tower that rises above preserved historic buildings at its base, has attracted the attention of mega-talented Canadian superstar Simu Liu.

A filmmaker, writer and producer, Liu also has a keen interest in the visual arts, and is delighted to be collaborating with Cecconi Simone on the interior design of 8 Elm.

Welcome to 8 Elm, a spectacular new 69-storey condominium by Reserve Properties and Capital Developments, offering an exhilarating lifestyle in the heart of Toronto. Set on a quiet street only one block from Yonge & Dundas, and only steps from world-class shopping and entertainment, 8 Elm is designed for those who love the bright lights and energy of the city.

THE ENERGY SURROUNDS YOU

Merging the past with the future, 8 Elm will preserve the heritage buildings at its base. This unique street is lined with premier restaurants, pubs and shops, while still maintaining a quiet, residential feel.

LAYOUT OF DUNDAS STREET
 Dundas Street contains several curves, which are the legacy of a project to create a new east-west road through the city core following the First World War. Over a dozen old streets were incorporated into the route between Ossington Avenue and Kingston Road. Dundas Square was created when a section of Wilton Street was connected to Agnes Street on the west side of Yonge. The buildings that once filled it were demolished during a 2003 renovation that made Yonge-Dundas Square one of Toronto's major public spaces.

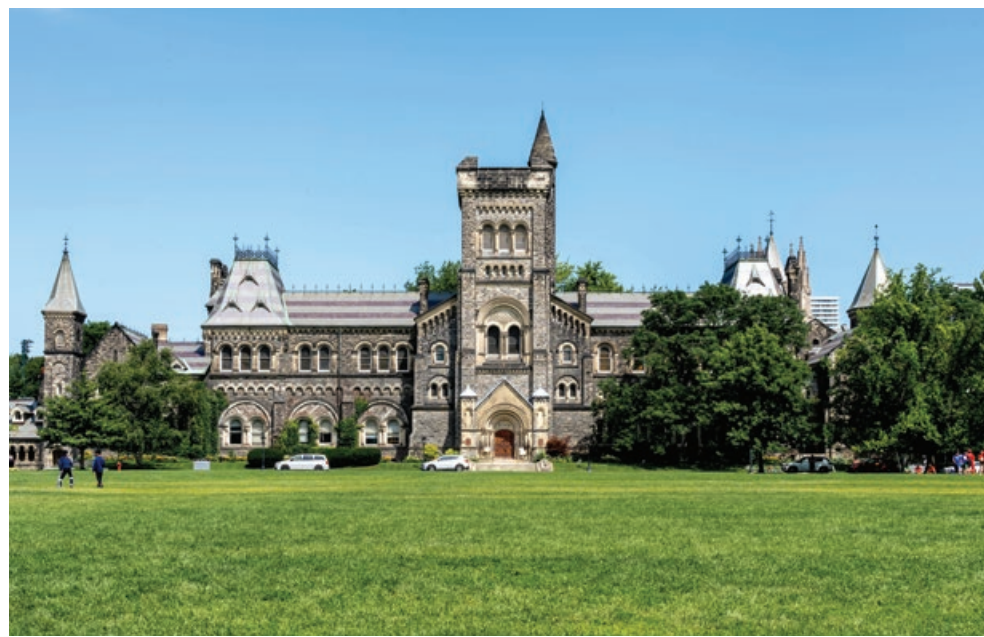

Billy Bishop Airport | Harbourfront | Sugar Beach
 Union Station | Ontario Square | Harbourfront Pier
 TTC | Yonge & Queen | TTC | Green Bike Station

Yonge and Dundas is a walking and biking paradise, with a walk score of 99 and a bike score of 92. A Bike Share station is right there. Surrounded by bike paths and only a short distance to the sparkling waterfront, it's easy to get into your favourite outdoor pursuits when you live at 8 Elm.

8 Elm is ideally located close to universities, corporate and bank HQs and hospitals. If you work in the financial district, you're a short walk from the office, and if you're taking courses at Toronto Metropolitan University (formerly known as Ryerson University), cross the street to get there. University of Toronto is also just minutes away.

AMENITY PLANS

The background of the image is a dark, deep blue gradient. On the right side, there is a large, abstract, textured area that resembles a particle simulation or a nebula. This area is composed of numerous small, bright blue and purple particles that are concentrated and more densely packed on the right, gradually fading into the dark background towards the left. The overall effect is a sense of depth and dynamic energy.

BAKER REAL ESTATE

Baker Real Estate has been setting the benchmark in Canadian real estate sales and marketing for more than 25 years. As Canada's leading Pre-Construction Sales and Marketing Partner, Baker guides projects from inception to completion — and beyond, in a cohesive partnership.

Capital Developments is a Canadian industry leader, founded in 2008, with international roots. The co-CEOs were founding executives of one of Europe's largest developers, TriGranit. They developed and delivered 10 million square feet of mixed-use space, including some of Europe's finest shopping centres, concert halls, office towers, and performing arts centres. Since the principals returned to Canada in 2008, Capital Developments has delivered 1.8 million square feet in Toronto and Montreal. This includes projects such as 2131 Yonge Street, done in collaboration with the late Karl Lagerfeld.

Capital Developments has over 1 million square feet under construction, including some of Toronto's most impactful towers, such as 11 YV, AZURA and E2. The company is actively advancing a pipeline of some of the city's best sites, totalling over 4 million square feet.

Capital Developments believes architecture, location, and design all matter; its projects are in the best locations, and the quality of its delivery is second-to-none. But above all, Capital Developments and its team believe relationships matter: with homeowners, with employees, with capital partners, and with the city. The company looks forward to building new relationships with homeowners at 8 Elm, in conjunction with its great partner, Reserve Properties.
