THE FUTURE IS HERE.

EX3 rounds off the incredible offering at Exchange District, as the final condominium, following the success of EX1 and EX2. Residents have access to incredible urban amenities, with an abundance of top-rated retail and exciting restaurants/café's, and a European-style urban piazza with seasonal pop-up stores and local vendors. These are just some of the many opportunities that await you each day at Exchange District.

A NEW DOWNTOWN IS RISING.

Exchange District is at the heart of it all.

EX3 offers a new residential opportunity, carefully designed to provide inspired amenity programs, top-rated restaurants, on-site grocery and retail, and stylish suites. Live on the new LRT and steps to shopping and dining — say goodbye to long trips to meet friends for dinner and a night out. At EX3, a lifestyle of connection and opportunity awaits.

Living this close to the largest shopping mall in Ontario has its perks. Square One has more than 350 shops and services where you will find everything you need in this vibrant downtown neighbourhood, moments from your door. From the Apple Store to Holt Renfrew, the exciting new Food District to the delicate wine pairings at Scaddabush Italian Kitchen & bar, the world is at your fingertips, here. With top-rated schools and several libraries close by, exciting attractions like the City Hall, Living Arts Centre, Celebration Square, Kariya Park, the District's Rooftop Sky Restaurant at EX2, or the many options for indulgences day and night along the piazza, you can live stylishly well ... close to home.

*EXPECT EVERYDAY
LUXURIES*

International leading brands bring
coveted features to EX3 suites, including:

LATCH

Latch is an innovative smart access system that brings seamless access to every door in a modern building. With Latch, you can open and manage doors in a condominium building—all from the security and convenience of your smartphone. A fully integrated system of both hardware and software, Latch is expanding smart access through thoughtful and intuitive designs made for modern living. In buildings utilizing the Latch system, residents can open doors with convenient and flexible credentials, and share access confidently and securely with trusted visitors when they are away, by smartphone, doorcode, or keycard.

KOHLER®

Since 1873, Kohler Co. has been improving the level of gracious living by providing exceptional products and services for customers’ homes and lifestyles. Kohler believes better business and a better world go hand-in-hand. Whether through beautiful kitchen and bath products, innovative engines and generators, memorable hospitality offerings or developing clean water, sanitation, and community development solutions around the world. To put it simply, Kohler strives to enhance the quality of life for current and future generations through design, craftsmanship and innovation, and is fueled by the passion of more than 36,000 associates worldwide.

 trevisana
KITCHENS + INTERIORS

Trevisana Kitchens & Interiors perfects the essential features that are synonymous to the superiority of Italian design and artisan manufacturing. The Trevisana story began nearly half a century ago in Italy’s northern province of Treviso. Today Trevisana Kitchens & Interiors proudly bring Italian quality made cabinets into Canadian homes, maintaining their core values of unsurpassed quality Italian workmanship.

FULGOR
MILANO

Fulgor Milano’s signature technology provides professional tools for your kitchen to help you achieve chef-worthy recipes. Offered as a creative concept and design in the world of cooking, Fulgor Milano promoted the Italian spirit of excellence around the world. Their use of modern equipment and machinery combined with lean production methods and dedicated human resources promotes a high level of quality and flexibility, providing the opportunity to transform the kitchen into a modern, innovative, friendly, comfortable, safe, ergonomic and stylish space.

Bedroom

BUILDING EXCELLENCE FOR 45+ YEARS

Camrost Felcorp has established its place as one of the foremost names in the development industry since 1976 by consistently leading the way in creating landmark condominiums, and is behind many of the Greater Toronto Area's most distinctive and memorable residential communities and commercial properties. Unique in design, each is built on a similar foundation of superior craftsmanship, a pre-eminent address, and a timeless style that is ahead of the industry.

With an impressive portfolio that includes over 80 buildings, with 20,000 residences and more than 2 million square feet of office and retail space, Camrost Felcorp continues to complete substantial high-rise projects in Toronto and throughout the GTA.

IBI ARCHITECTS

IBI Group is a proud leader in the emerging application of technology in the design and planning of smart cities. Formerly known as Page + Steele Architects, IBI Group is renowned for its extensive residential expertise, and has shaped the Toronto skyline with many of the City's most exclusive, high-end developments, including The Ritz Carleton Hotel and Residences, The Avenue, The Delta Hotel, The Four Seasons Hotel and Residences, Upper East Village, and more. With projects that span Canada, the United States, the United Kingdom, the Middle East, and India, IBI's multidisciplinary approach – from the creation of connected schools and hospitals, to the use of social media and smart devices to improve urban mobility – has defined the cities of tomorrow.

BDP ARCHITECTS RETAIL ARCHITECTS

BDP is different. The group's unique position as a collective with experts spanning the spectrum of the built environment gives them a special status and capability in the design world. They are place-makers who work at every scale. Passionate about the role of design to improve everyday life, BDP has employed design practices that focus on place-making and user centred design. With offices that span the globe, including the United Kingdom, Ireland, China, India, Abu Dhabi, the Netherlands, Japan, Singapore, and Canada. BDP looks to introduce a global influence on every project they touch.

MAED COLLECTIVE INTERIOR DESIGNER

MAED Collective was founded by Corinne Huard after 20 years of dedication to design and discovery. The MAED Collective interior design studio is an innovative collection of artistic professionals passionate about creating sustainable and engaging spaces, recognizing the imperative balances of aesthetic and purpose. The practice continuously evolves by working with the world's prominent innovators and leaders in Hospitality, Residential, Retail, and Work Space industries.

TRACE ENGINEERING

Trace Engineering Ltd. is a multi-disciplined Toronto based Engineering Firm, specializing in mechanical and electrical building design. Founded in 2006, Trace focuses on mixed-use developments – with many high-rise residential, retirement & longterm care, and commercial projects in their expansive portfolio.

CAMCORP CONSTRUCTION

Built on experience. A member of the Camrost Group of Companies, Camcorp Construction offers a full complement of services in all aspects of the construction process, execution and delivery. Known for a hands-on approach amongst the trades, and for a meticulous attention to detail, Camcorp Construction has enabled Camrost Felcorp to be directly involved in all stages of the development process.
